Dear Parents;

Hello! This year as part of our annual health screenings we will be having Wal-Mart vision come to the school to do vision screens. This is a free program, with no cost involved. If you **DO NOT PREFER** your child to be screened by Wal-Mart Vision please call the school and notify us prior to the screenings. The screenings will be completed on February 6th at the Elementary and on February 7th at the MS/HS. Again, **PLEASE ONLY NOTIFY US AT THE SCHOOL IF YOU DO NOT WISH FOR YOUR CHILD TO BE SCREENED.** All students will be screened unless we are notified prior to the completion of the screening. If there are any students who need a repeat test, parents will be notified by the school nurse. We enjoy being a part of the care and education for your children!! Thank you for your time!!

Thank You,

-Linda Russell, School Nurse
